VOLUNTEER OPPORTUNITIES

Please join us as we volunteer with the YWCA of Metropolitan Dallas (YW) on **Saturday, November 13, 2010** for a Decorating Holiday Basket Event. We will be decorating the holiday baskets for the YW Nurse-Family Partnership Holiday Food Drive.

YWCA of Metropolitan Dallas is dedicated to addressing the most critical needs for women

in Dallas, offering programs in the areas of pregnancy and parenting education, financial literacy and women's health services, YW's goal is to educate and guide women toward becoming self-sufficient and to advocate for sound public policy that supports these efforts.

Nurse-Family Partnership (NFP) is a relationship-based, free maternal and childhood health program that focuses on low-income, first-time mothers; - a vulnerable population segment that often has limited access to good parenting role models. Young mothers-to-be voluntarily enroll as early as possible, with nurse-home visits beginning ideally by the 16th week of pregnancy. Mothers and their highly educated Nurse-Home Visitors make a two-and one-half year commitment to each other, with 64 planned home visits between pregnancy and the child's second birthday. YW's NFP program helps break the cycle of poverty - empowered, confident mothers become knowledgeable parents who are able to prepare their children for successful futures. By developing strong family foundations, YW's NFP program establishes a better, safer, and stronger community for generations to come.
